WINTERTIME WONDERS AROUND THE WORLD

**The Globus Family of Brands Unveils 5 Reasons to Skate Across the Pond this Winter ...
And Nearly 30 Vacations to Help You Enjoy Your Getaway**

LITTLETON, Colorado – June 18, 2015 – There is great value in “Value Season” vacations: Those escapes that occur during the winter months, versus the height of the summer travel season. Now, the Globus family of brands is unveiling nearly three dozen river cruises, tours and independent vacation packages that showcase winter wonderlands, Christmas markets, the smallest crowds and best value all year.

According to the team at the Globus family of brands, there are five (5) reasons to go to Europe this winter:

1. Mosey Up to Mona.

Fewer travelers in winter mean fewer crowds. Enjoy more space in museums, among the ruins and down cobblestone streets.

2. More Bang for Your Euro.

Everything looks a little different in Europe during the winter, including the prices. From transportation and dining to shopping and sightseeing, enjoy plenty of discounts and deals.

3. To Market, to Market.

Centuries-old Christmas markets offer unique crafts, toys and goodies to bring home, eliminating any reason to visit the dreaded mall.

4. Meet Beppe. Not Bob.

While traveling during this time of year, the locals typically aren't. This means there's more time to get to know them and their beloved traditions.

5. Glühwein!

If the snow-dusted castles and cathedrals of Europe don't warm a traveler's heart, this German-spiced mulled wine will.
